

Assemblers:

PD-LD, Inc. has immediate openings for full-time assembler positions. Prior fiber optic component assembly experience in a Clean Room environment is mandatory (e.g. laser alignment, wire & die bonding, soldering and hand mounting).

Candidates with no experience will not be considered.

This is an hourly position (7:45AM–4:15PM) with potential for overtime opportunities. Pay range will be commensurate with experience. Full benefit package offered after 90 day orientation period.

Qualified candidates should submit resume to kreid@pd-ld.com or apply in person at PD-LD, Inc. to complete an application from 9:00 AM to 4:00 PM weekdays.
